

Chairman Wm. Lacy Clay of the Information Policy, Census and National Archives Subcommittee will hold a hearing on Thursday, March 5, 2009, at 10:00 a.m., in Room 2154 of the Rayburn House Office Building. This hearing will be entitled, "Status of the 2010 Census Operations". The hearing will examine critical operations of the Census and the Bureau's progress toward implementing recommendation of the Government Accountability Office. Topics to be discussed include integration and testing of the information technology systems; analysis of the December 2008 field test of the handheld computers; preparations for Address Canvassing; reliability of the cost estimate; and field infrastructure for non-response follow-up and other operations.
